Permission for Local Excursions

In the interests of reducing the amount of permission slips we send home over the course of the year, the school, is issuing a blanket permission note for excursions within St George including visiting Warrawee. These excursions may involve the students walking to their destination, taking a bus or travelling in a private vehicle. As is current practice, you will be consulted in regards to your child/children travelling in a private vehicle and your child’s teacher will still provide you with written notification of planned excursions.

Upon receipt of information regarding these events, a signed written note or email to your child’s teacher is required if you do not wish for your child to participate in a certain activity.

I ask that you fill in the slip below and return it to school as soon as possible?

Yours sincerely,
